

UNIQ®FOAM 250W

Water based silicone defoamer

UNIQ®FOAM 250W is a strong defoamer. Very strong and effective in destroying the micro-foam as well the macro-foam. It is a high efficient antifoam emulsion and can be used in multiple applications. It is long persistent and stable after storage. Low dosage is enough for the whole grinding process.

Special Features

- Water based applications
- Strong defoamer
- Long term persistent
- Silicone based
- Heat stable
- Readily disperse in water.
- APEO Free

Application

Architectural coatings	■
Wood and furniture coatings	■
Automotive and refinish coatings	■
Can/coil coatings	■
Industrial coatings	■

Product Specification

Appearance	Milky white liquid
------------	--------------------

Addition levels

- Based on total formulation: 0.1 – 1.0 %
Added in grinding stage.

Packaging

- 25 kg
- 190 kg

Shelf life

UNIQ®FOAM 250W should be stored in a cool dry place. When kept in an original unopened container, it will keep up to 2 years from the date of manufacture.
